CCS 5 Document Specifications:

Page layout:

Paper Size: 5.5 x 11 inches
Font type: Times New Roman
Font Size: 12 points
Margins: Top = Right = Bottom = 1 inch
        Left = 1.5 inches

Software Development Tools:

- DBMS - **IBM DB2 v11.1**
- Programming Language - **MS VB .Net 2012**

NOTE: *The above tools must be used in your project (program development and database implementation). If problems occur (like "missing libraries", "unable to restore database backup", etc.) and the cause is because you are using a different release version of the software, I will not bother myself looking for and installing the said missing libraries.* ***Your submission will be considered non functional***.

Design Document Layout:

   I.   Business Narrative
  II.   Scope and Limitations
 III.   Business Rules
 IV.   Entity Relationship Diagram (or Enhanced Entity Relationship Diagram if applicable)
  V.   Relations (or tables)
 VI.   Data Dictionary

What to Submit:

1. Design Document
2. Program (VB .Net)
3. Database backup

Where to submit:

1. Design document, program and database backup are to be uploaded to **Google Drive**.
2. The link to Google Space will be uploaded to our SOUL virtual classroom. **Make sure that you <u>share with me</u> the Google Drive folder that contains your submission**.
